Subject: Portland Harbor FS
Attachments: Decision to Complete PH SF FS.PDF

Bob and Jim – Attached is EPA's letter informing the LWG of its intent to complete the feasibility study for the Portland Harbor Superfund site. EPA believes this is the most efficient process to get to a ROD in 2016 based on the revisions EPA has made to the FS. If you have any questions, please contact Stephanie Ebright at 206-553-0774.

Regards,

Kristine Koch
